NARRATIVE		
<p>On the above date, the U/S responded to the area of Bidwell Ave and MLK Dr on a report of an officer shot. I cut the chain of the fence, and along with PO Mark McKnight, made entry to the Sacred Heart School at 183 Bayview Ave, to ensure all students were locked down away from windows and perimeter walls. While in the school, I witnessed a male from inside 223 MLK Dr, begin to fire shots in the direction of the U/S and the school. I returned fire. This happened intermittently on three different occasions. My magazine was emptied and some rounds were replenished by responding ESU teams. I am unable to determine the number of rounds fired by myself or the actor, or unable to confirm hits and locations.</p>

NARRATIVE

On December 10 , 2019 at approximately 1230hrs the undersigned P.O.J Boamah was off duty in the area of 158 MLK at a private office location when the undersigned heard multiple loud gunshots.

The undersigned responded immediately to the area of Bidwell / MLK where the sound of the shots were coming from.

The undersigned observed active shooting coming from the address of 223 MLK Dr in my direction and immediately took cover behind a parked vehicle and began to return fire with my off duty / on duty handgun.

The undersigned then left the scene when my bullets ran out and returned to ESU headquarters to retrieve my department issued M4 (Daniel Defense) rifle.

Upon returning to scene I then joined with numerous other responding ESU officers and entered the ESU operated armored Bearcat # 0712 on the front passenger side.

The Bearcat was then utilized to gain situational awareness in front of 223 MLK Dr , where active shooting was still coming from towards all responding officers.

Upon arrival in front of the shooting location the shooters / actors began to shoot at the Bearcat repeatedly with an undetermined amount of heavy gunfire which was occupied , at which point the undersigned and other ESU officers returned fire in the direction of both shooters.

The shooters upon receiving return fire from myself and other ESU officers on scene ceased firing in our direction after several exchanges of gunfire.

Incident Summary

On Tuesday, December 10, 2019, I was assigned to Major Crimes, liaison to the FBI JTTF. At approximately 1230 hrs, PO's J. Soliman, J. Antman and I responded to Jersey City during an active shooter situation. While on scene, we entered the JCPD Bearcat (armored vehicle) and travelled to location where the shooters were last seen. While parked in front of 223 MLK Dr. we began taking fire from the two suspects from inside the store. I returned fire using a Daniel Defense long gun given to me by JCPD PO J. Frattini, firing an unknown amount of rounds. Both suspects were shot and later pronounced at the scene.
